

# ADAPT

Tilt & Recline option

The Chunc Adapt offers a solution for children and young people with specialised seating requirements. The multiple options for seating interfaces allows a wide range of specialised seating systems to be attached.

These can include Modular, Moulded, Martix and Foam Carved. The Chunc Adapt is especially stable and adaptable and can be used both indoors and outdoors.

The Chunc Adapt has Tilt-in-space of 45° and Recline to 180 degrees so the user can achieve various positions from upright to relaxed. Due to the modular construction, the Chunc Adapt offers a lot of space for individual foot rests and foot rest assemblies so that the user is optimally supported at all times.

## ENHANCED NEW FEATURES:

- Recline to 180 degrees
- Offered in different chassis width and seat depth

- Headrest
- Hub Brakes
- Swing Away Footrests
- Height Adjustable Removable Armrests
- Tray
- Sun Canopy and Rain Cover
- Equipment
- O<sup>2</sup> Mounts
- Communication Aid Mounting
- Surrogate Seat Fixing
- 180 degree recline
- 45 degree tilt
- Power Assist
